Dear friends

I hope you've had a chance to see the film *Wicked Little Letters*. It is based on a true scandal that stunned 1920s England. The story centres around neighbours Edith Swan and Rose Gooding.

It's a bitter sweet, dark comedy with an element of mystery. If you've not seen it, I won't give away any more of the story except to say that the attitudes of 1920s Littlehampton seem not that dissimilar to parts of merry old England today. My experience of the film was that for every "what?!?" there was an equal "ouch!". Like others of its milieu it evokes, and more often than not provokes, a response. Or at least it intends to but so enured are we, so made hard of heart by the supposed realities of the world, that you could sit through the whole thing and simply find it a comedy of errors.

In the Easter season, one so full of signs of new life all around us, we're so used to chocolate eggs and Easter bunnies, and to the somewhat weirdly wonderful things Christians get up to, that we shrug our shoulders, marvel at the health-defying Cadbury Creme Egg, and avoid as best we can the whole resurrection thing.

It's no surprise, really. Some of us are as incapable of accepting anything that doesn't fit our preconceived notions as were the people of 1920s Littlehampton.

Perhaps, though, like the audiences of *Wicked Little Letters* and the population of Littlehampton, we might just shift our perceptions, change our perspective and be open to the really real. Resurrections happen every Spring, in every act of forgiveness, in every making whole, in every reconciliation, every cycle of life.

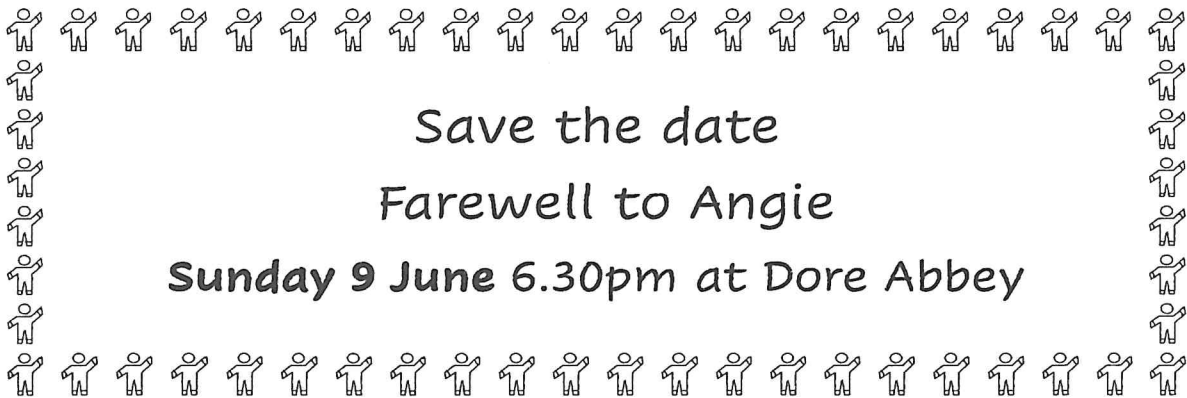

Resurrection is change that, in the short run, looks like death. But in the long run looks like life. Our funeral services sometimes begin with "Life is not ended. It is merely changed." Quite hard to get our heads around in that moment; not so hard to wrap our hearts around in the end.

Mark

## BIG THANKS TO EWYAS HAROLD PRIMARY SCHOOL

A very big thank you to the children and staff of Ewyas Harold Primary for a fabulous Easter Celebration service held at the packed church on Thursday 21 March. The wonderful Year Two led the celebrations by telling us the whole Easter story, and all of the children delighted their audience with poems and songs (and some expert dance moves). An extra shout out to the newly formed Toot Band who blessed us with their splendid playing, including a joyful rendition of Mamma Mia. The church family here wish you all the joys of Easter and all the resurrection hope of the season. *Rev Angie x*

Farewell to Angie

## KILPECK

Rather spoilingly we have had two Communion services in the last two months led respectively by Cate and Mark. Many thanks to both. The services were quite well attended.

All the electrics have now been fixed so we have light!

# KENTCHURCH, WALTERSTONE & ROWLESTONE

## KENTCHURCH

*Advance notice*

On Sunday 12th May our service will be a Celebration of the bells here at St Mary's with a quarter peal being rung before the 10.30 service.

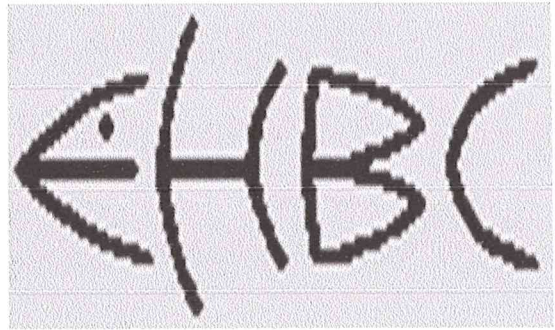

After the service we are inviting everyone to join us for a picnic in the churchyard to celebrate the 50 years anniversary of the bells being changed from a ring of five to a super ring of six. Historic records give mention of medieval bells being present here as far back as 1552 and five of the bells still used date back from the 1730's.

Sadly this will be Rev Angie's last service with us before she leaves our parishes in July but she won't be far away as she has been appointed Priest in Charge of St. Weonards and neighbouring parishes. We wish her all the luck in this step of her journey and we look forward to seeing you at our Bell Sunday service.

Full details will be in the May magazine.

**Chapel Services** see page 2

Following the Chapel Service on **21st April** there will be a 'Bring Your Own' lunch with discussion about the future of EHBC, starting at 12 noon.

Robert Dewar writes "**Golden Valley Llamas** take day-guests or those staying in our holiday cottages for llama treks (*see p32 for details - editors*), but March saw the llamas participating in several non-commercial activities. First up, was a llama trek for a children's charity. Six friends bid for the trek and helped raise funds for a small foundation which has been so helpful for a young person in the village.

Four llamas attended the opening of the new Ewyas Harold Craft Centre. They took visitors for short walks outside the centre behind The Memorial Hall and were particularly happy with the long, lush grass in their pen.

It was a busy weekend for the herd as they participated in the Palm Sunday procession from St Michael and All Angels. In the church, four llamas strode up the nave to turn and face the congregation, where they were blessed before being allowed to depart and go home for their elevenses!"

**TEA TIME CLUB** shared a final celebratory meal on Thursday 21st March. It began over eighteen months ago, after Covid, when we were all concerned about rising prices. It grew into a warm, safe place of fellowship, companionship, fun and delicious food. One young mother said that it had been a lifeline for her, whilst she was going through some of the worst times of her life. Lasting friendships have been made.

Now, for various reasons, the need is not as great as it was.

It is good to keep listening to God. He guided us to do this and is now telling us to stop.

Thank you so much to everyone who helped, by praying, financial support or cooking.

## Frances Keenan Bread Maker

I started baking before I can remember, with my mother, making yeast bread. I would watch her heaving away on an enormous lump of dough making the table creak as she pushed and pulled, while I tried to do the same to a little lump...

About 20 years ago I started trying to master the art of sourdough bread making in a freezing cold farmhouse in France. It's been quite a journey, discovering how to create bubbles in bread! Now I bake the loaves in my home in Ewyas Harold where I've lived for the last 15 years bringing up three daughters.

I source my flour as locally as possible - Simon Dale grows wholemeal, rye and spelt grains in Much Dewchurch, Em and Keith grow wheat at Felin Bettws near Pandy, and the white flour I use is from Shipton Mill in Gloucestershire.

I'm interested in using and combining the more ancient wheat grains that are far less glutenous than some of the modern varieties. These can be more easily digested, especially with the added element of the sourdough, using the wild yeasts that are around us.

All of the ingredients I use are organic apart from the sea salt and I use Garway Hill spring water.

I supply the Ewyas Harold Village Store and Locks Garage on Tuesdays with fresh bread. And on Wednesdays I bake a range of breads including 100% spelt, seeded spelt and rye, granary, wholemeal, and white with rye. These I sell direct to my customers or through the Arkstone Mill veg boxes.

If you're interested in ordering bread direct from me please contact: frances@wyrdweb.com or 01981 240605 and I'll send you my bread list.

Prices range from £2.50 for a 400g White and Rye to £4.25 for an 800g 100% Spelt loaf.

I love talking about bread and the magic of mixing flour and water and time to make something so delicious, but I also love feeding people something so wholesome and good!

**Monnow Ballet School** offers lessons for children and adults in Ewyas Harold Memorial Hall each Saturday term time. Children learn the Royal Academy of Dance syllabus and are given the chance to take exams which are rewarded with certificates and medals. Some students choose to audition for extra ballet classes at national ballet schools - some are associates with Elmhurst, Royal Ballet School, Ballet Cymru and Ballet Academy Cymru. Whatever their ability or commitment everyone is nurtured and all progress is really celebrated.

**Currently there is space for Primary (age 5-8) 10:45am  
and Grade 2 students (age 8 plus) 10am**

Adults attend bright and early each Saturday at 9am and do a gentle **Silver Swans** class, suitable for all ages and abilities, either for technique or just fitness and balance. It is a fun group currently looking for new members to add to the 40 other Swans that Monnow ballet teaches in villages around Herefordshire and Monmouthshire. All welcome to attend a trial class and see if it suits. Optional ballet theatre trips and end of term coffees.

Monnow Ballet is about ballet for everyone. The Ewyas Harold children and adults were invited to dance at Abbeydore Fete last summer to tremendous applause - even more popular than the pretty amazing cream teas! - and some also chose to be part of the whole school production of Cinderella at Christmas. The children were a fabulous mix of dancing pumpkins and horses with footmen, and our Swans were the travelling tango troupe.....needless to say all brought the house down!
